EXAMINER REMARKS

Technical Tests

Scales: A few small slips, but you show a high level of fluency. Slur scale could be more even and fluid. Arpeggios: Very fluid playing overall.

List A

Bourree: An energetic performance today. You play with a bold, crisp sound throughout. Excellent left hand control overall; just a couple small slips today. You control the counterpoint well - both voices are fairly clear. Good sense of drive and a consistent tempo.

List B

Adelita: A very lyrical reading. You play with a sweet, rounded tone here. You control the meter well - you take some romantic liberties with the pulse without losing sense of the 3/4 feel. Good left hand control - your slides are expressive, and the passages in higher positions are accurately placed.

List C

El noi de la mare: The melodic line is played with a connected, balanced sound. You maintain a steady rhythm throughout the changing textures of this piece. A couple of hesitations and buzzed notes, but you give a poetic reading overall.

Etudes

Exercise 22: Very fluid playing overall. You control the arpeggio element well in this etude. You accent the melodic notes effectively and keep a steady pulse throughout. A couple of missed notes, but you maintain a good level of focus. After the Rain: A very lyrical performance. Slurs are articulated clearly for the most part. You delineate the melodic line from the texture well. A couple of tentative moments, but you recover quickly. Just a couple of missed notes and a stumble today, but you give a pleasant reading overall.
